## PROFILE INFO

Hi, I am Nigam Mishra. I am seeking a full-time position that offers professional challenges and utilizes my interpersonal skills, excellent time management, and problem-solving abilities. I am a skilled multitasker with a superior work ethic, strong teamwork, and organizational skills. I am willing to take on any task to help the team. I am a reliable and dedicated team player with a hardworking and resourceful approach.

## PROFESSIONAL EXPERIENCE

### ■ PRESENT

Way India - Bhubaneswar , OCAC Tower  
**Intern**

- Actively participated in team meetings, offering insightful suggestions that led to innovative problem-solving strategies.
- Observed packing operations to verify conformance to specifications.
- Gained valuable experience working within a specific industry, applying learned concepts directly into relevant work situations.
- Educated staff on organizational mission and goals to help employees achieve success.

## PROJECTS

### ■ Tourism Management System

- This website embodies the essence of the Odisha Tourism System, featuring full responsiveness. It comprehensively showcases all the tourist destinations across Odisha.
- Technologies utilized in its development include React, Bootstrap, JavaScript, and React-Bootstrap.
- [URL:-https://nigammishra.github.io/tourism-management-system/](https://nigammishra.github.io/tourism-management-system/)

### ■ Library Management System

- It's a full-stack project where admins manage CRUD operations. Data is stored locally, with login and registration data sourced from session storage.
- Technologies utilized in its development include React, Bootstrap, JavaScript, and React-Bootstrap.
- [URL:-https://frex-arup.github.io/library-mgmt-react/](https://frex-arup.github.io/library-mgmt-react/)
